SPORT COURTS RESERVATIONS

www.montealina.es

In the “**Owners**” section of the corporate website, www.montealina.es, you will find a direct link to “**Sports Court Reservations**”, where you can book the various **tennis and paddle courts** within the residential community. This system also allows autonomous access to the sports facilities, as well as the **automatic switching on and off of lighting** according to the reserved time slot.

You may also make your reservation from your mobile phone via the “**ReservaPlay**” app, available on the **App Store** and **Google Play**, using the same login credentials.

Once the reservation is confirmed, the system will generate a **numeric code**, which is essential both to **cancel the reservation** if you are unable to use the court and to **open the door of the reserved court** by entering the code on the keypad installed at each entrance. Lighting will be activated automatically according to the reserved schedule.

Please note that the **usage fees for the sports courts**, which will be added to the following month’s Community fee, are as follows:

- **Monday to Friday until 5:00 p.m. (off-peak hours):** €2/hour
- **Monday to Friday from 5:00 p.m. onwards (peak hours):** €4/hour
- **Saturdays and public holidays:** €4/hour
- **Lighting (when applicable):** €3/hour

These fees may be updated at the corresponding **Owners’ Assemblies**, subject to approval.

The use of the sports courts within the residential community is governed by an **internal set of regulations** approved by the Owners’ Assembly, ensuring proper use of the facilities and fair access under the conditions established therein. These regulations are published on the corporate website, www.montealina.es.
